Next meeting scheduled on April 14, 2018 in Marseille

The announcement was made. Our next meeting will take place in **MARSEILLE (France) on April 14, 2018**.

Thank you in advance to **Christian-Marie REGINA** who will organize it, and **René BARONE** who surely will give him a hand!

Indexing the registers of souls

Voted at our last General Meeting, we are actively working on **indexing all registers of souls of PROCIDA** (60 registers) and **ISCHIA** (10 registers).

This is **major work** to be carried out and it includes:

1. Indexing all the families and individuals
2. Indexing the various locations and areas
3. Modifying our online database and create the various necessary forms and screens for the web site
4. Importing the indexed data into our online database

There are **many benefits** and it will allow you to:

- Locate you family
- Unblock your research
- Find unknown brother and sisters
- Understand the evolution of surnames
- Identify the places and addresses over the decades and centuries

To this date, **5 voluntary experts** are indexing and **8 registers have now been completed** (7 for PROCIDA and 1 for FORIO d'ISCHIA).

I want to thank the team for their work, where each one contributes according to his availabilities:

- Christophe MANCINO
- Jean-Pierre FERRARI
- René BARONE
- Michèle SCOTTO DI VETTIMO
- Sylviane MORIAU

The **next step** will consist to implement some changes and adaptations to our database and web site – this work will hopefully start this winter.

I hope to be able to show you the first live results in Marseille on April 14.

To be continued...

Pascal SCOTTO DI VETTIMO
