Genealogical meeting in Mauguio, France April 11 and 12, 2026

The Grande Famille de Procida & Ischia held its stand during the weekend of the Genealogical and Historical Meetings of Mauguio. Our objectives were largely achieved in joy and sharing. We saw some of you from the region again, helped unlock and find ancestors, discussed with many visitors, sold a few books and registered new memberships.

A big thank you to Colette SERPAGGI, Guy ATTANASIO, Michèle COSTA, Jean-Michel MAZZELLA and Mylène DEL BIONDO for their assistance on the stand!

You can note a new search feature on our institutional website. Indeed, since 2003, our events as well as our publications listed on our site are numerous and represent several pages of table. For example, you can now search for the title of events and publications, their descriptions, and the author.
