

LA GRANDE FAMILLE DE PROCIDA & ISCHIA Newsletter #79- January 2018

2018

La Corricella, Procida - Summer 2016

In my name and on behalf of the Administration Council (Christiane, Jean-Pierre, Henri, Michèle), accept our best wishes for the new year 2018!

I hope this new year will allow us once more to make progress with our projects, to meet again and share some special moments (in Marseille soon...) with always the same joy and warm friendship. Take care and looking forward to seeing you.

Pascal SCOTTO DI VETTIMO

REMINDER: Membership renewal for 2018

Since October 15, we have registered **90** membership applications for 2018 compared to the 190 we had in 2017.

If you have not yet renewed your membership, it is now the right moment to do so, in order to not miss anything in 2018.

This newsletter is the last one you will receive because the distribution lists are automatically updated in January.

I remind you that memberships run from 1st January to 31st December. Past this date, you access to the web site is automatically revoked after 7 days.

Thank you for your support and collaboration in 2018.

After Vendôme in October 2017, I have the pleasure to announce that the new meeting will be held in Marseille on April 14, 2018 in the restaurant UNM.

The deadline is fixed on March 10.

The conferences will include:

This meeting will also be an opportunity to discuss together of our **next General Meeting...**

THANK YOU in advance for your help and participation.

Translations for the web site

To improve and complete our web site, we found two professional translators in English and Italian. Several documents have now been translated and are now available on our web site, including:

- La section « **Documentation** »
- La section « **Registres** »

Also, the Articles of the Association have been translated in English to widen the audience and make it easier. We will proceed soon with the same in Italian.

Cost of these translations so far: **300 Euros**

We have decided that it was non-essential to translate these same documents in Spanish (4th language of our site).
