

LA GRANDE FAMILLE DE PROCIDA & ISCHIA Newsletter #83 – November 2018

Meeting with members on October 27, 2018

We were 36 in MASSY (France) on Saturday 27th October 2018 to share once again this year a convivial lunch and inform you of the progress made on our projects! You came from all over France, Germany and Wales. Thank you to Danièle and Frédéric for having organized this event.

You will find on our web site the **slides** of the conferences:

- *Status on our current and future projects* – Pascal SCOTTO DI VETTIMO
- *Holidays in Ventotene* – by Elisabeth WALZ

You will also find the **photos** of this event on our OneDrive share – the link has been published on our internal message board.

The **main points** to remember:

- **The notarial archives of NAPLES:** following a short trip in Naples last October, we (Guy ATTANASIO and myself) were able to digitalize several registers and meet the Director of the Archives. I explained our wish to carry out a large project. Proposal to be sent.
- The project of digitalizing the **parish archives of VENTOTENE** has been sent and the initial answers we received are very positive. We hope to start the work at spring 2019. To be continued.
- The **next General Meeting will be in 2019** – hereafter to apply.

Evolution of our web site

After a pause for several months, I have the pleasure to inform you that the programming work on our web site has now been restarted.

The next main changes will include in the following order:

- The option to « **View** » a **census record** displaying all the details regarding the selected family;
- The option to « **Order** » this census record and/or a full research in the registers over a period of years;
- The correction of minor issues as well as other web site adjustments.

To be continued...

Membership renewal 2019 and new tariffs

I remind you that it is already possible to apply for or renew your membership for 2019.

The new registration form with the updated tariffs is now available on our web site.

Please note that the annual fee still has not been increased since the foundation of the Association on 2003.

However, the tariffs for points have been reviewed and slightly increased (between 1€ and 1.50€ according to the number of points subscribed).

The tariffs for services (order of documents, translations or custom research...) have not been increased.

Thank you for your support.

Looking for volunteers

I am currently looking for some help to:

- **Index the parish registers of SERRARA, FONTANA and SANT'ANGELO in Ischia.**

For this type of activity, you only need to have an up-to-date version of Microsoft Excel on your computer to input the index of the digital images of the index.

To participate to this project, please contact me at: info@procida-family.com.

Thank you in advance.
