**The Wall of Migrants
in the spotlight in 2024**

The Wall of Migrants, overlooking the port of La Corricella in Procida, pays tribute to these men and women, to their courage and determination, to build a new destiny by emigrating to other countries. Their names are engraved on plaques and their individual stories are accessible online on the digital Wall.

Signage and brochure of tourist and cultural sites of interest – July 2023

Thanks to the impetus of Leonardo COSTAGLIOLA, Deputy for Tourism, the signage was made and installed in Procida, to include the Wall of Migrants in a global tourist circuit, which you can download from our website in the section "Documentation | Publications".

Batch #4 now opened – April 2024

7 new migrants already registered for the next set of plaques!

In 2024, we will pay tribute to Giuseppe SCOTTI, Agata ORTOPEDICO, Aniello LOMBARDI, Luigi REGINE, Pasquale ESPOSITO, Michele AGNESE, Michele Antonio COPPOLA.

2024 – The Year of Roots Tourism

Italy has declared 2024 the "Year of Roots Tourism". The aim is to highlight the importance of the return to Italy of the descendants of Italian migrants, to discover their origins, their family history and thus their own identity.

In collaboration with the Municipality of Procida and Leonardo COSTAGLIOLA (Deputy for Tourism), and with the help of the association La Fenice represented by Katia CERULLO (its President), our history and the Wall of Migrants will be at the forefront!

This project was officially launched on July 20, 2023 in Procida with an expert seminar, where I had the honor to intervene personally and share our history and experience.

You will find on our website in the section "News | Press" the latest publications:
